

# The very best in horse care

Professionals know that Kevin Bacon's products ...

## The classics

... provide the best solution.

### • HOOF DRESSING •

**Hoof Dressing** does not merely give the horn a pretty shine. It penetrates the horn to nourish the hoof deep down.

Regular use of **Hoof Dressing** prevents the hoof wall from drying, protects it from the wet, and activates horn growth.

Packaging : 1L/33,814 oz,  
2,5 L/84,5351oz,  
5 L/169,07oz

### • LIQUID HOOF DRESSING •

**Liquid Hoof Dressing** not only preserves the same properties as Hoof Dressing but also remains easy to apply in cold weather conditions.

Packaging : 500ml/16,907oz,  
1L/33,814 oz, 5L/169,07oz

### • HOOF FORMULA •

**Hoof Formula** is recommended as a daily basic supplement for growing stock and sport horses, but also for convalescent and elderly horses.

**Hoof Formula** high-quality proteins and amino acids supply all the elements needed for the development and maintenance of muscles, tendons, hooves, and all tissues.

Packaging : 5 kg/11,0231lbs

### • HOOF SOLUTION •

**Hoof Solution** has indeed become established as the most efficient, fastest, and easiest product to use for the treatment of external foot infections.

Packaging : 150 gr/0,3306934 lbs

### • ACTIVE SOAP •

**Active Soap** is the immediate solution for all problems of itchy skin, manes and tails.

**Active Soap** is a simple remedy that is fast, efficient, natural, and non-toxic for our friend.

Kevin Bacon's **Active Soap** is made only from 100% cold-pressed vegetable oils.

Packaging : 100 gr/0,220462 lbs

### • MANICOUAGAN CLAY •

The **Manicouagan sea clay** is a natural product resulting from a single and unpolluted ecosystem : the Quebecois peninsula of Manicouagan on the northern coast of the Saint Laurent river.

The **Manicouagan marine clay** on horse's limbs :

- helps to keep tendons clean,
- tones up tissues,
- reduces swellings,
- cools the limbs.

Packaging : 2 kg/4,40925 lbs, 9 kg/19,8416 lbs

### • STOMACH PROTEK • • SPEED ACTION •

Inhibiting digestive acidity, protecting the mucous membrane from acid attack, and promoting the healing process are the secrets of equine gastric comfort.

As the horse's well-being is a priority at Kevin Bacon's, we have developed two healthy and natural complementary feed supplements that are very easily taken up:

- **Stomach Protek "Speed Action"**, an extremely appetising paste that can be given to horses with acute ulcers for quick, optimal relief of stomach discomfort.

Packaging content :  
6 syringes of 60 ml / 2,029 oz

### • STOMACH PROTEK • • ASSIST •

- **Stomach Protek "Assist"**, a powder to mix with the feed for daily use in order to maintain gastric comfort.

**Stomach Protek "Speed Action"** and **Stomach Protek "Assist"** may be used :

- for horses with sensitive stomachs;
- in cases of digestive disruption, stress (competitions, transport, and changes in routines), and inexplicable declines in condition;
- if your horse has a sensitive stomach, becomes girth shy, sucks wind, or bites its flanks; or
- if your veterinarian suspects an upset stomach.

Package size : 1 L / 33,814 oz

## The new generation

### • OMEGA POWER •

By supplementing your horse's diet with Omega 6 and Omega 3, **Omega Power** helps your stabled horse recover the natural balance it had out on pasture. That helps maintain its physical performance. **Omega Power** plays a role in keeping up the horse's general energy level, vitality and good health.

Package size : 1 L / 33,814 oz

### • LUCY DIAMONDS •

**Lucy Diamonds Shampoo** contains plant extracts with recognised softening and protective qualities along with gentle cleansing compounds.

**Lucy Diamonds Shampoo** can be used to calm itchy insect bites and to protect the skin after a major sweat.

Package size : 250 ml / 8,453 oz,  
1 L / 33,814 oz, 5 L / 169,07 oz

**"THE GREEN" HOOF DRESSING** is a nourishing plant-based dressing for the maintenance of dry feet and weakened and/or brittle hooves.

**"THE GREEN" HOOF DRESSING** is made from 100% natural plant products: vegetable oil, vegetable wax, and essential oil.

Regular use of **"THE GREEN" HOOF DRESSING** lets you get supple, elastic hooves that are more resistant to the elements.

Package size : 500 ml / 16,907 oz
