EQUESTRIAN

For your performance

Be inspired and imagine yourself in the world of a professional rider with ONE equestrian's products. Surround yourself with classy designs, refined materials and an unique message of passion. ONE equestrian wants to get the most out of you, your horse and your entire equestrian experience. Optimal enjoyment with a large dose of love. For your horse, for the sport and for the environment. Every rider, whether a professional or an amateur, must be satisfied with our products. In this way you do not have to concern about your equipment. One less worry, so you can focus on what really matters: the close bond with your horse.

Be an inspiration.

For yourself, for others, but above all:

For your performance.

01100077 | Black, Full

01100078 | Brown, Cob

01100079 | Brown, Full

Protection

Body bandage

This ONE equestrian body bandage is made of strong elastic material. The bandage prevents and protects from girth galls and sores caused by rubbing. In the case of existing sores, the body bandage allows the horse to be worked without further aggravating the injury until the skin has completely healed. With the two clips on the front you can attach the bandage to the saddle.

Art. nr. 01100015 | 175 cm

Hoofband rubber

ONE equestrian hoofbands rubber. The rubber hoofbands provide good protection to the horses' heel from injuries but leaves the front hoof open.

Art. nr. 01012221 | S
01012222 | M
01012223 | L

Tendon tube

Multifunctional sock for protection and support of the horses legs and tendons. The innovative ONE equestrian Tendon tube is made of soft fine elastic that is strong but easy to put on and off. The Tendon tube can be used for many multiple purposes like protection of the horses legs and tendons, supporting the tendons, cooling, wound protection, keeping the legs clean. The Tendon tube can be shortened to the desired length and is available in black and white.

Material: 75% cotton, 25% spandex.

Length: 5 meter

Art. nr. 01100000 | White

01100001 | Black

Bandaging tape

ONE self-adhesive elastic bandaging tape which can be used for compression or support. It also holds dressings in place. The tape is strong, comfortable and easy to use. And ideal for difficult areas to bandage such as the hoof and knee. Provides extra support, protection and bandage security. Size: 10cm x 4,5m.

Art. nr. 01100080

Kick pad

ONE equestrian kick pad prevents injuries while kicking in the stable or transport. Can be used for example in the stable or the van. With shock absorbing foam. Waterproof.

Thickness: +/- 8 cm.

Dimensions: 100 x 140 cm.

Art. nr. 01100048

Care

The ONE bucket

This 18 liter navy bucket is made of strong and flexible recycled plastic and contains innovative specifications and tricks. The bucket has a flat back, under the bottom is a handy grip which makes it easy to pour. In addition, the bottom also contains a support surface. The bucket has soft edges, a handle with a flat piece, a light curve at the front, size indication on the inside and a clamp for your garden hose. Besides that is the bucket easily stapable, unbreakable and eco-friendly. Colour: Navy

Art. nr. 01100090
